Program: Requirements for Amateur Licences, by Bruce Spanton,
Outline of the training program
Report of the Ontario Convention by Burt Coy.

Bruce Spanton, VE3BRS, is the local Radio Inspector and he has kindly concented to squeeze us into his busy skedule. Everyone planning on trying for a licence should hear what Bruce has to say.

The training program for new hams is mapped out and will be explained at this meeting.

JAMBOREE-ON-THE-AIR

Weekend of 19-20 October is the date. VE3WSB (World Scout Bureau) will be on the air from 2000 EST 18 Oct. right through to 2000 EST 20 Oct. Equipment this year will be a Collins KWM-2 with linear and DX adapter, a Hallicrafters HT-37 and Hammarlund HQ-180A. 80, 40, 20, and 15 metres will be worked. Location will be the Headquarters building of the Boy Scouts of Canada on Baseline Rd. The back door, west end, will be open after regular hours for operators only. The operating roster is being arranged by Jack Basil, VE3YT, 722-8457. Call him if you can be available for either operating or logging.

QUESTION BOX.

The place to put your questions is in the box. Questions received at this meeting will be used as the basis for short talks and discussions at the coming meetings. Write down your favorite problems and drop them in. Some of these will also be used to provide grist for the Technical Advisor's Corner which we hope will be a regular feature.
